

AGOP Mission and Goals

Since 1973 the AGOP has encouraged the advancement and interest of visual arts. We provide opportunities for development and enrichment of our members through educational programs and workshops.

The Art Guild sponsored exhibits allow members to show their works in many local venues.

Our outreach includes promoting visual arts programs in schools and other organizations to foster the appreciation of visual arts within the community.

In keeping with our mission we established a Scholarship Fund in 2002 for Clay County High School Seniors to pursue a career in visual arts or arts education.

The Art Guild welcomes guests to our monthly meetings on the first Tuesday of each month (September - May) at 7 p.m. We meet at the Orange Park Lion's Club, 423 Macintosh Avenue, Orange Park, FL, 32073.

Meetings include a short business session, followed by social time with food and drinks. The evening highlight is the featured guest artist who demonstrates and discusses their art medium. Many of the guest artists also teach a workshop sponsored by the Art Guild.

Courtenay Hunt at work

The Art Guild named this scholarship in honor of prominent local artist Courtenay Hunt following his death at 95 in 2013. He was a founding member of the Art Guild and his home and studio were on Doctors Lake in Orange Park. Courtenay Hunt was recognized as Jacksonville's portrait artist of choice and in 1967 he was commissioned to paint a portrait of Andrew Jackson which hangs in Jacksonville's City Hall.
